SUBJECT:

DOCKET NO. 2007-286-WS – Application of Utilities Services of South Carolina, Incorporated for Adjustment of Rates and Charges and Modifications to Certain Terms and Conditions for the Provision of Water and Sewer Service – Hearing Held: December 13, 2007. Proposed Orders Have Been Filed by the Company and the Office of Regulatory Staff. This Matter is Ready for Final Disposition.

COMMISSION ACTION:

Due to circumstances beyond her control, the court reporter was uncertain as to when she could complete the transcripts in this proceeding. Consequently, the date for proposed orders was set later than normal to give the parties adequate time to review the transcript prior to submitting their proposed orders. Since the proposed orders were only filed in the latter part of this month, there has been insufficient time to thoroughly evaluate the evidence in this case. As such, I am not prepared to consider a final disposition of the matter at this time. Therefore, I move that we grant Staff's request for a five day extension in which to issue the order in this case, but also move that we otherwise carry this agenda item over. As proposed, the Order would be issued by Monday, February 11, 2008.
